Education and professional Experience

Gianluca Bettelli graduated (cum laude) at the University of Modena and Reggio Emilia. He admitted to the Modena Bar Association since 1999.

Previously, he was partner and founder of the law firm Bettelli&Partners in Modena.

Gianluca assists clients in Italian and cross-border transactions. He also advises on a regular basis companies owned by institutions and family-owned business on the whole spectrum of corporate and commercial law.

He has evidence experience in real estate field, taking care of negotiations, drafting sale and purchase agreement, rental agreements, companies leases and companies branches agreements, relating to all property segments (including residential, office, retail, hotel, logistics, and industrial).

He has evidence experience in the management of SGR and investments funds (in particular, he was member of the Board of Directors of Garda SGR S.p.A.).

He has also market-leading expertise in the restructuring and insolvency field, also collaborating with the main national and international law firm.
